Six chainmen ,, 12 each ,,

The work that has to be attended to by the staff will be the items mentioned in paragraph 5 of the joint report printed on page 11 of G.O.No.993 Rev., dated 5th May 1921, and the incorporation of the changes in the survey records and the village and the taluk accounts.

In paragraph 5 of his R.Dis.No.323, dated the 16th October 1917 the Collector of Bellary solicited instructions in the matter of giving effect to the Commissioners' decisions, and especially enquired whether the presence of any Mysore Official should be secured during the mechanical work of the replacement or the obliteration of the survey marks. The Board considers that previous intimation should be given to the state officials in charge of the Chittaldrug district, that the work of the special staff should be finally accepted by the Tahsildar of the British taluk and the corresponding officer of the state and that the staff should work under the supervision of the Tahsildars of the British taluks concerned.
